

Art and Design

Intent

At Newcroft Primary Academy our aim is that, Art and Design will stimulate our children to become inspired, creative and proud artists, through an engaging, challenging, practical learning experiences. Children will develop cultural capital through acquiring the knowledge and appreciation of Art and Design in different time periods and cultures, as well as the important role it plays in everyday life.

What?

Planning provides children with engaging creative experiences . Progression and skill map teaches children knowledge, vocabulary and skills to experiment, invent and create.

Children are taught to research and explore the creativity of great artists, craft makers and designers.

Children are involved with the Artsmark award and work is displayed around the school. A small group of children will complete their Arts Award qualification.

Impact

Children use the ideas, knowledge and skills they have acquired to create their own works of art, craft and design. Children can use the correct language of Art and Design.

Children appreciate and value the cultural importance of Art and Design and use this knowledge as inspiration for their own artwork.

Children are proud and reflective of their own and others artwork displayed around school. Children become more confident and improve many character keys.
