

# Pupil Survey 2024-25

# What is great about Newcroft by Reception 2024-25

We are told lovely stories.

We get set lots of fun challenges!

I like playing in the outdoor classroom

I have made lots of friends at school.

I like making things in the creative corner.

I love dressing up in discovery time.

We like visiting the library.

I love being a class helper for my teacher.

I like reading with an adult.

I like all the teachers- they are really kind.

I like PE lessons.

Phonics is fun!

# What is great about Newcroft Pupil Survey 2024-25

We have lots of equipment to play with our friends at lunchtime.

We have lots of equipment to play with our friends at lunchtime.

I like the eco team as it looks after our environment and the world.

My teacher challenges me to be even more successful all the time!

I love the library as I can choose books from outside of my year group.

The teachers keep us safe.

The opportunity to learn about other faiths and cultures that are not like ours.

I love that we have our playground buddies/Buddy stop if we do feel lonely.

Lyfta is really exciting because we can travel around the world from our classroom.

I like the school's dedication to anti-bullying and making sure everybody has someone to play with.

Our school is clean and bright and the best place to learn.

Our school trips are really fun and make our learning better - they are the best!

We have our worry boxes to share our emotions, and our teachers always act on them.

# What is great about Newcroft Pupil Survey 2024-25

Mental health is promoted and is really important at our school.

Everyone treats each other equally and teachers make sure school is inclusive.

I love the hot dinners and the midday supervisors as well as the catering staff.

My teachers have helped me to become more independent.

Teachers sort our problems I am having straight away.

There are lots of opportunities to be responsible and do jobs around school and in the classroom for Job Centre.

There are a lot of opportunities to have our say and help to keep making our school better.

I enjoy the lunchtime clubs- iPad games, Lego club, mindfulness colouring and multi-sports.

There are so many varied clubs we can attend.

I like that we can be creative in art and explore independently.

Top residentials and trips out of school to make learning memorable and fun!

Lots of my friends get to take part in sports tournaments.

I love how the teachers get problems solved as soon as possible.

# What is great about Newcroft Pupil Survey 2024-25

I like that we get to meet our new teachers before the new school year, so we get to know who they are.

I love that all the teachers encourage us to do our best.

I like music – singing, guitar, rock steady, lessons, finish this project, different songs, themes of assemblies. Everyone is included!

I like the school because everyone belongs, even if they have a disability or from another country.'

I like that we can get help using ELSA at school.

I love Newcroft because we get to read lots of different books.

We are all different at our school and we celebrate it.

I like that we all get equal opportunities across school.

I love our science lessons because get to learn how things work.

I like that we can bring our own lunches and that we are a nut-frees school.'

How supportive other children are in school towards one another.

I love learning to play so many different instruments!

We like the mix of work in books and the practical lessons to consolidate our learning.

# What can we do to make Newcroft even better?

Update the KS2 playtime equipment.

Develop the forest school so we can all use it,

Inside area for lunch times.

I would like a drama club which puts on productions.

Reception to use the Pre School climbing frame.

Upgrade the book banded books in Y4,Y5 and Y6.

More sports competitions between classes and houses.

Year 6 to sit on benches in assembly.

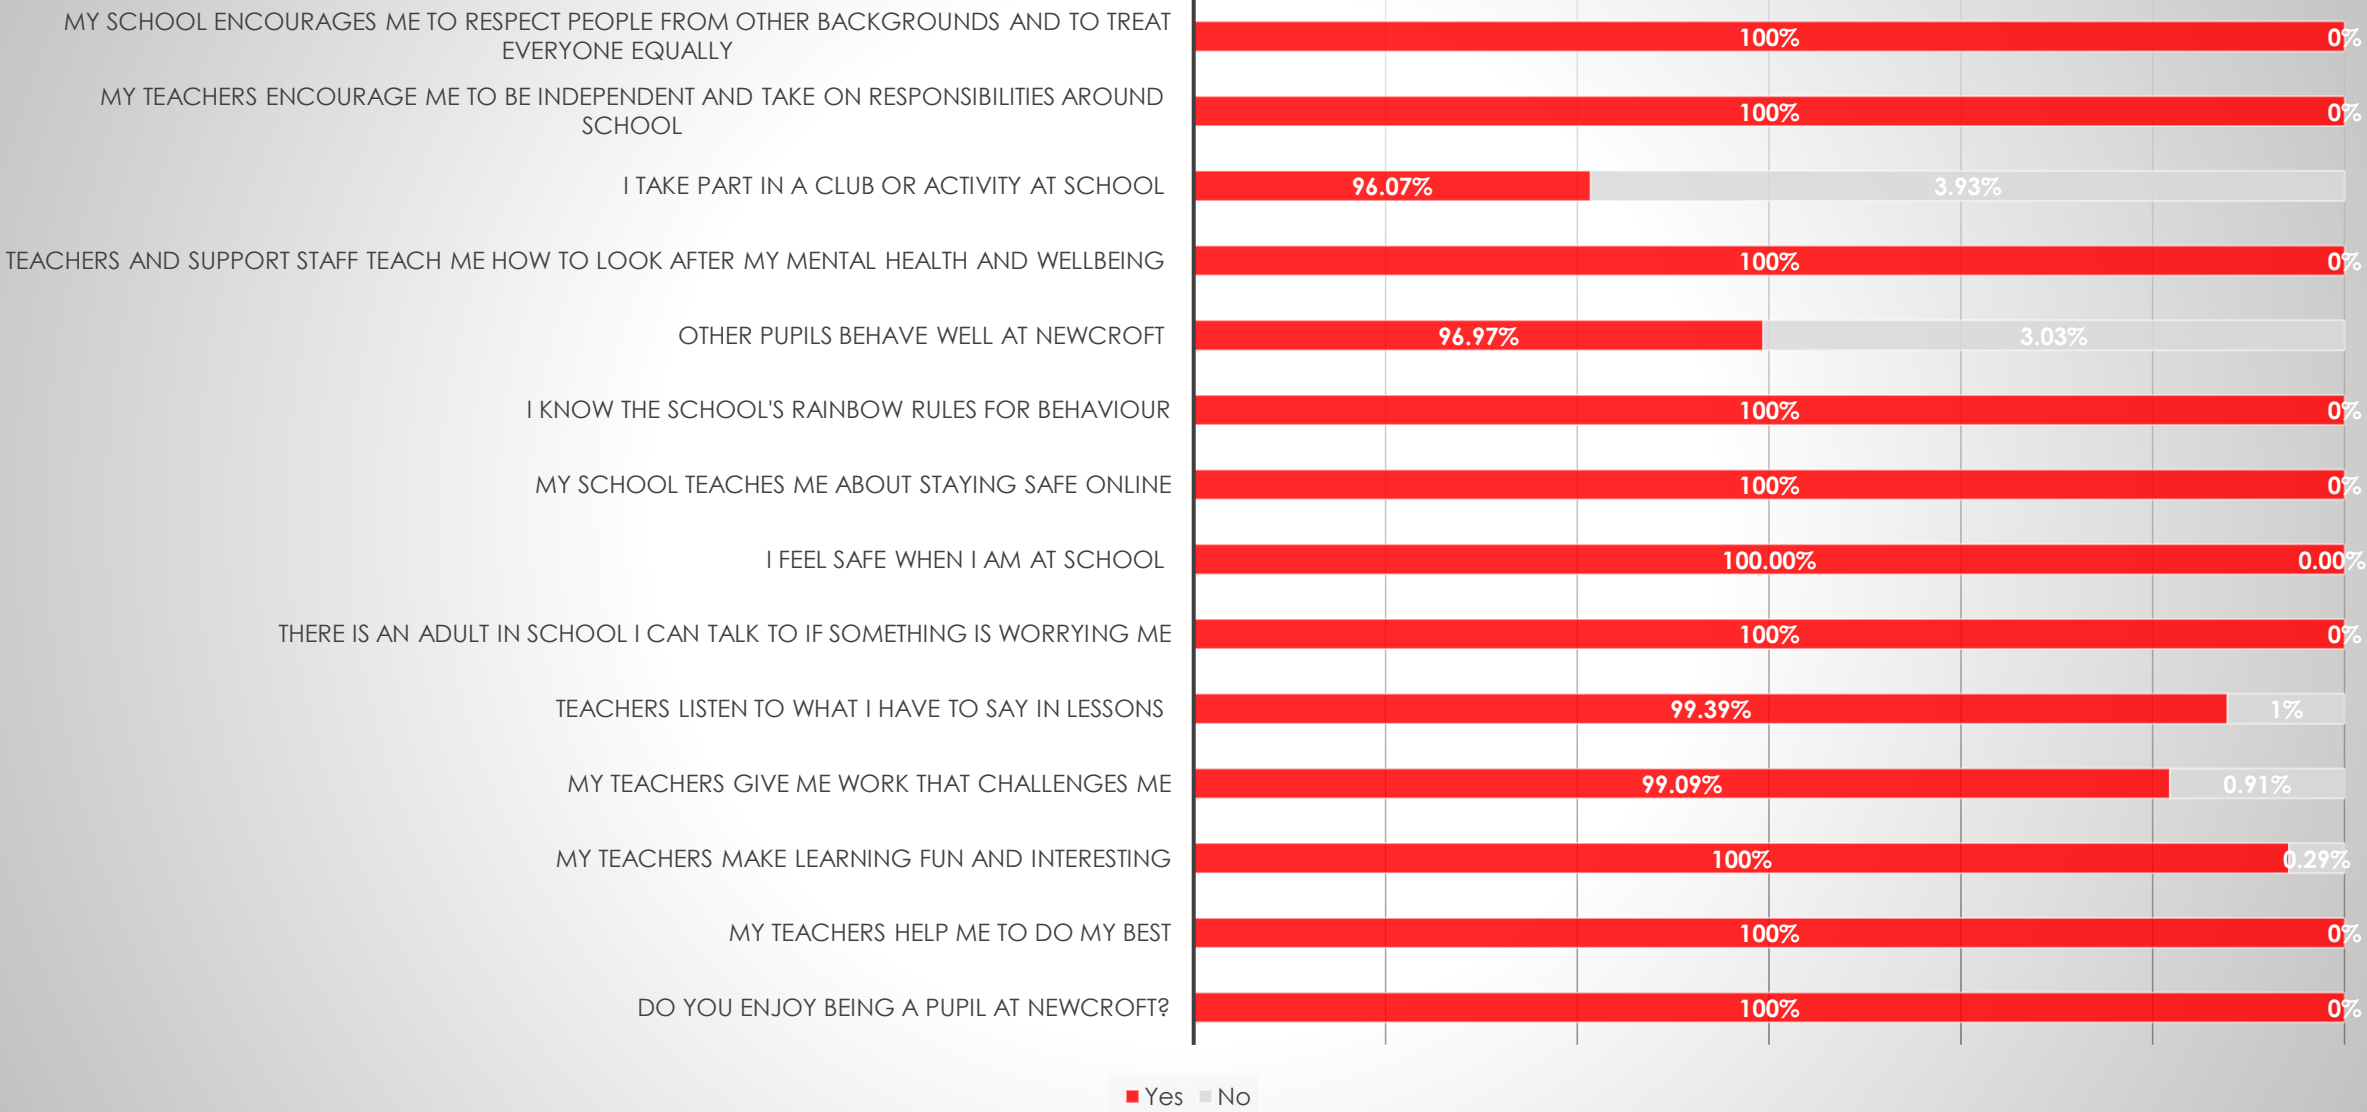

New lunchtime equipment for Reception.

1 football table per year group at Hallcroft (one is broken)

A school pet!

We would like to have some modern technology like VR headsets.
